

Descendants of James William Dade

Generation No. 1

1. JAMES WILLIAM² DADE (*THOMAS*¹) was born 1822 in Virginia, USA, and died 1869 in Virginia, USA. He married JANE 1847, daughter of JACKLY ROLMINI. She was born 1821 in Virginia, USA.

Notes for JAMES WILLIAM DADE:

Maury Daniel Dade states that his father (Maury Mason Dade) told him that they were descendants from an Irishman named "Dade" and an Indian Woman. The Dade family was a free family of color as stated on the very early census record of Fauquier County, Virginia and also according to the "Free Negro Register." Although James and Jane are on the Free people of color census, they failed to register as such. The Dade's that registered as free Negroes are as follows: Thomas Dade born 1798; Henrietta Dade born 1812; Sarah Ann Dade born 1815; Margaret Elizabeth Dade born 1817; Nancy Dade alais Nancy Malvin born 1820 and Susan Cornelia Dade birth date not available. Although I'm not able to make a proper link between James Dade and Thomas/Dolly Dade, I believe they are his parents and the others are his siblings. (Source: Jane Butler, AAHA, 10/27/09)
